**Thank you for your time and consideration!**

# Fourth Bi-Annual Maize Town Hall Meeting

## *Share your Vision with Your City Government Officials*

Public participation and input is an essential part of the planning process. We appreciate you taking time to share your thoughts as we begin to prioritize these items. The action plan will prioritize community projects, creating public-private partnerships to secure implementation funding. Creating a shared vision is usually accomplished by working through a variety of means to promote community consensus.

**May 5TH 2008  
7:00 P. M.  
Maize City Hall**
